WHAT: I-15 BARSTOW PAVEMENT REHAB

WHEN: FOR THE WEEK OF MAY 22, 2006

WHERE: I-15 BARSTOW

The ongoing construction project on Interstate 15 through Barstow will continue with the nighttime paving schedule through Labor Day 2006. The schedule will reduce traffic delays for summer travelers. Intermittent daytime lane closures for various roadwork in spot locations will continue with minimal impacts to traffic.

The following is an update of lane or ramp closures on I-15 between Barstow and Baker for the pavement rehabilitation project, which began in early April 2005. The \$54 million project is expected to last through summer 2007. It will resurface 50 miles of I-15 in both directions from East Main Street in Barstow to Razor Road. A 4.6-mile truck-climbing lane will also be built from north of Main Street to south of Ghost Town Road.

PAVING WILL CONTINUE AT NIGHT

* All work starts at 7 pm on Mondays and ends at 8 am on Fridays.
